

GYM FLOOR RESOURCE

Dust Defender™ Microfiber Gym Mop System 60" & 72"

- **Dust Defender™** dust attraction technology
- **Microfiber Gym Mop** 60" or 72" length
- Captures the fine dust & grit particles
- Attracts **3X** more dust than traditional mops
- No dust mop treatments necessary

Dust Mop an entire basketball court in 10 minutes using microfiber cleaning technology. Removes dust and fine particles that scratch your gym floor finish. Mop heads are machine washable and are attached with **Velcro®** tabs, so they are easy to remove and replace with a clean head. **No more excuses for using dirty mop heads!** Additional heads sold separately. **#HI-DDGMH**

Comes Complete with:

- 1 - 60" or 72" Microfiber Dust Defender Mop Head
- 1 - 60" or 72" Connector & Base Assembly
- 1 - 56" Yellow Fiberglass Handle
- 1 - Mesh Laundry bag.

Instructions for use:

1. Attach mop heads to Velcro tabs on mop base
2. Push mop up and down playing court
3. Shake dust and grit particulates out
4. Use brush or vacuum to remove dirt and dust.
5. Laundry separately without fabric softener
6. Laundry bag. included
